

To our CHAR Pizzeria Napoletana guests:

Thank you to everyone still dining and ordering from us! We are a family-owned business and we truly appreciate your continued support!

We are taking the concerns surrounding COVID-19 seriously and are doing our part to prevent the spread. We are closely monitoring and following the latest guidelines from the Center for Disease Control, local government, and other public health agencies.

At CHAR Pizzeria Napoletana, we have an exceptional track record with A ratings from the Maricopa County Department of Health in all our inspections.

What are we doing to protect our guests and employees:

- Handwashing is a top priority in our restaurant, as always.
- We are taking extra time and effort to clean thoroughly and frequently, using products proven to kill the virus.
- We insist employees only come to work when they are feeling their best.
- We have placed additional hand sanitizers in public places.
- We are wiping down counters and all public touch points frequently with disinfectant and sanitizer.
- We are asking guests to sit further apart (per CDC recommendations).

At CHAR, we also offer take-out and contact-free delivery services. We encourage you to take advantage of these options to keep your family, friends, and our community safer. We also offer gift cards at CHAR. With every \$50 worth of gift cards you purchase, we will give you two \$5 gift cards for free to be used anytime through April 30th, 2020.

Camina forte!

(Walk strong)
